

# Federation International Camping Caravanning and Autocaravaning

# FEDERATION INTERNATIONALE DE CAMPING ET DE CARAVANNING

*Welcome to F.I.C.C.*

*Freedom. Movement. The great outdoors.  
Getting to know other cultures. International friendships...*

*What is F.I.C.C. ?*

# **FEDERATION INTERNATIONALE DE CAMPING ET DE CARAVANNING**

## **A WORLDWIDE ORGANISATION**

**F.I.C.C. is the only worldwide organisation solely devoted  
Camping Caravanning and Autocaravaning and defending  
the interest of campers wherever they are.**

**As a non profit organisation, protecting the interests of  
campers at international level, F.I.C.C. constantly  
promotes this growing form of tourism.**

# FEDERATION INTERNATIONAL CAMPING CARAVANNING AND AUTOCARAVANING

## *What is F.I.C.C. ?*

### **VISION:**

To make the experience of Camping Caravanning and Autocaravaning, the world's most popular and attractive leisure pursuit for all ages.

### **MISSION:**

To promote Camping Caravanning and Autocaravaning as an attractive form of tourism on an international scale with respect to environmental protection and the cultural heritage of the world.

# FEDERATION INTERNATIONAL CAMPING CARAVANNING AND AUTOCARAVANING

## *What is F.I.C.C. ?*

Campers are, by definition, people in touch with nature, and so always appreciate a campsite that dedicates itself to preserving the environment.

## VALUES:

**Nature,  
freedom,  
friendship,  
respect for individuals,  
society,  
cultural heritage and  
the environment.**

# FEDERATION INTERNATIONALE DE CAMPING ET DE CARAVANNING

a long history

# FEDERATION INTERNATIONALE DE CAMPING ET DE CARAVANNING

## ACTIVITIES

Since 1933, F.I.C.C. promotes camping worldwide and assures that the public organisms are always informed about the campers reality and their needs.

Simultaneously, F.I.C.C. concerns are to reinforce the link between all the international camping clubs or federations and to spread the information cross borders.

The strong international communication that has been created around F.I.C.C. motivates the reinforcement of its present activity, always thinking in the future..

# FEDERATION INTERNATIONALE DE CAMPING ET DE CARAVANNING

**F.I.C.C. is, undoubtedly, an active part of camping, Caravanning and motor caravanning evolution around the world.**

- The infra-structures of camping sites,**
- The advances on laws and regulations,**
- The application of modern up-to-date technologies,**
- The fair attractions of youth to this kind of activities**

**are F.I.C.C.'s best efforts towards continuous improvement and accomplishment.**

# FEDERATION INTERNATIONALE DE CAMPING ET DE CARAVANNING

## INTERNATIONAL RALLIES

In conjunction with the fun and friendship inspired by the international events, the F.I.C.C. International Rallies, from East to West and South to North are unique opportunities to develop strategies which favour Camping Caravanning and Autocaravaning throughout the world.

Rally Life in Ipswich

# In tune with Environment

In the last years many people talk about the impact of our activities in the environment.

Our world of Camping is completely in tune with Environment and should have a low impact.

# One Wide Debate

- Tourism contribution based in the car, Caravan and Motor Caravan:
- New tourism destinations and short breaks;
- Decreases the distances concerning the usual tourism programmes
- Supports local economy
- Social inclusion – special tourists

# Effects on Tourism

- Type of Holidays
- Flexibility
- Frequency
- Campsites / Resting areas

# What the Campers of this century want?

**Action, adventure, Active holidays, culture, Nature and ecotourism**

# Waste, Energy & Water

# Campsite design

- Small areas
- Respect for the local nature
- Gardens
- Birds and insects

# Restaurant and Supermarket

- Local products and Bio: meat, eggs, vegetables fruits
- Days local market is open
- Waste products with ecological label
- Low number of containers

# Free time programmes

- Guided visits around campsite and in the nature
- Free works for kids
- Birds boxes
- Educational porgrammes
- Trilho da natureza
- Recreational areas for kig
- Garden with mediccinal plants

# Traffic

- Discounts to campers that will come without car or caravan
- Free tickets for local transports
- Advising about transports and timetables and access to internet
- Low cost bicycle renting
- Reduction in the car circulation in the campsite
- Trolleys to luggage transport and electrical
